OGDEN CITY, UTAH.

FRIDAY, April, 17, 1891

General Gleanings. H. B. Leonard, of Boston, Mass., was in Ogden yesterday.
S. A. Kenner, of Salt Lake city, was in Ogden yesterday.

Manager B. F. Locke, of the Pacific

Manager B. F. Locke, of the Pacific
hotel, was out on the streets yesterday,
having recovered sufficiently from an attack of la grippe.

The city hall lawn looks beautifully
green. Superintendent of Public Grounds
Porter has done some valuable work thereon
within the last few days.

Sarah Winnemuces, the noted Indian princess of Nevada, and her sister were in the city yesterday. They were on a jour-ney to some point in Nevada. The real estate exchange met at the usual hour yesterday. Nothing other than the regular routine business was transacted. Lee Gibson occupied the chair.

President Harrison will give Ogden the President Harrison will give Ogden the cold shoulder on his western trip. He will mass through here at 1:30 in the morning to Salt Lake. Would it not be well for King Rex II to assemble his royal subjects and make a demand that the President be awakened from his slumbers while passing through the Junction City?

The forward of Relabora E. the little son.

The funeral of Brigham K., the little son of Mr. and Mrs. B. H. Goddard, took place yesterday afternoon at 4 o'clock. The remains were interred beside those of his little brother, who died of the same disease, diphtheria, about ten days ago. The bereaved parents are stricken with grief over their dreadful loss.

over their dreadful loss.

The "Little Tycoon" played to a second large audience at the Grand last evening, and the splendid production of Willard Spenser was listened to with as much appreciation as the previous evening. The company is far ahead of the average, and the costuming is costly and beautiful as well. Miss Telula Evans, the new prima douns, sang for the second time in "Little Tycoon," she having joined the company for the first time in this city Wednesday evening. She performed her part with ease and is blessed with a strong sweet voice. The support is very good.

Committed Suicide.

Judge Hutchins, a well known resident of Slaterville, committed suicide yesterday afternoon, by cutting his throat with a razor. The particulars of the affair could not be ascertained last evening.

In Perfect Condition.

Mayor Turner, the committee on sewers and the city engineer accompanied Contractors Hobson & Wilkinson yesterday afternoon to make an inspection of recently completed sewers. The councilors were lowered in several man holes and each made a careful examination of the system in every particular. They report every thing in perfect shape and commended the men who superintended the work in very strong tarms. strong terms.

Clark Escapes. F. W. Clark made his escape from the custody of the county authorities yesterday afternoon. It will be remembered he is the Sohmer piano agent recently arrested on several charges, one for obtaining money under false pretenses in Brigham city, another for forgery committed in Omaha, and still another for embezzling money from the firm of Jacobs Brothers, of the same city. In the former case the rascal was successful in securing bonds. An officer came to Ogden from Omaha a few days later with the intention of taking the gentleman back with him. He went to Salt Lake to confer with Governor Thomas, but the chief magistrate refused to grant the necessary requisition papers on the grounds that the prisoner had been arrested in Utah on a grave charge, and held that he should be tried here first. By the time the governor had made his decission in the matter Clark was arrested on the latter charge and held in \$1,500 bonds to await the action of the grand jury.

Since that time he has languished within the walls of the county court house. Yes terday noon Jailor Belinap accompanied Clark to a restaurant for dinner, after which they went to a barber shop, both to get shaved. Clark's troublesome whiskers were soon excommunicated, and before Mr. Belinap could get out of his chair the piano man had flown. He was last seen making south on Wall avenue near the union depot. He was traced south of the city, but at last reports he had not been captured. rested on several charges, one for obtain-

City Against County.

Grace Holland, the woman convicted in the police court about two weeks ago for shoplifting was transferred to the city from the county jall yesterday. Immediately after her conviction Marshal Metcalf strong, May, ts. 74d., strong; June, 6s. 64d., strong. ordered her sent to the county jail. The sheriff refused to accept the prisoner, as she had been sentenced on a city warrant, and held that the county had no right to bear the expense of her keeping. However, he took her in charge for accommodation, with the intention of testing the case at his carliest convenience. No action was taken on the part of the try officials, and yesterday he took the ady to the police station, where he left

her.

The woman is serving a sixty-day sentence, and what disposition will now be taken of her is yet undecided.

In the Soup.

A thief giving his name as John Kelly was arrested by Officer C. Hansen yesterday on the charge of larceny. Kelly en tered the store of Ashley Bros., accompanled by a man characteristic of himself. One of the men confronted a clerk and preof the men confronted a clerk and pretended he wanted to buy a pair of shoes,
and in the meantime the other sacked a pair
of neat satin slippers, valued at about \$5,
and left the store. The other then decided
to take the shoes and said he would call for
them later. The two met on the street
again and unde an effort to sell the stolen a
articles. Officer Hansen had his eyes fixed
upon the men, and thinking they acted very
suspicious, walked Kelly to the police
station. Kelly pleaded guilty and within
forty minutes after the theft was committed he was sentenced to forty days
confinement in the city jail.
